DEAR TENNIS PLAYER:

We would like to invite you to join Olympic Indoor **Now** for the 2011-2012 indoor season. Please consider the following when you make your decision.

Olympic is recognized as being the best run and most successful club in Central Ohio because of our outstanding organization and customer service. Satisfaction is our product, and we deliver.

Our programs are generally over-subscribed, and past experience shows that many people have been unable to play in their first choice group because they waited too long to join.

Remember, while there are other indoor tennis clubs, there is only one where you can get the famous Olympic friendliness, organization, and service. We hope you agree that your tennis dollar buys the most value at Olympic.

Now is the time to join. Call me today for a free evaluation session. I will be happy to hit with you and your family and recommend the programs that would best fit your needs.

Special Bonuses for Joining Olympic When you join one of Olympic's adult leagues or women's teams as a weekly regular, you will be entitled to the following extras:

- 1 A \$2.00 per person session discount as a weekly regular in your second league.
- 2 The right to buy permanent, non-organized court time for the season at selected times for half price.

LEAGUE PLAY

Men's and Women's Doubles Leagues:

Last year we had over seven hundred men, women, and children participating in our unique and comprehensive tennis league program. A league is a group of twelve or sixteen men or women of similar ability who play for two hours each week. Leagues are organized for all ability levels from beginner to tennis professional. Each week every player will play a set with three different partners. The total number of sets won and lost will be tabulated, and standings will be kept based on the won-lost percentage. Our leagues give you a chance to play with a number of different players of the same ability. We will evaluate you if you are in doubt of your ability level so that you will be placed in the proper league.

Singles Leagues:

Olympic Indoor has the most extensive singles league play in Columbus for both men and woman. Leagues meet once a week for one hour. Each week a pro set is played, and standings are kept. Leagues consist of from 8 to 20 players.

Team Tennis for Women Players:

Olympic Indoor would like to invite you to be part of our highly successful team tennis program. Last winter we had forty teams of women at all of the GCTA levels participating in our unique program. Women from Swim and Racquet, Worthington Hills, Northam Park, Grove City, Scioto, Grandview, Worthington Cardinal, Columbus Country Club, Westerville, The Lakes, Medallion, Jefferson and other clubs have participated in the past. Here are the details of the program.

- 1 Each team consists of eight woman (or more if the team wants regular substitutes).
- 2 A two hour block of time will be reserved for your team for the thirty-five week season. In that block of time each team will be scheduled to have either a match, clinic, or round-robin. There will be:
 - A. Twenty-seven (28) matches against the other teams in your league.
 - B. Three (3) teaching clinics taught by Steve Ryuse, Michelle Jarrett, Mike Haddow and Hans Buckendahl will deal with drills and strategy designed to make you a better doubles player.
 - C. Four (4) round-robin sessions with your teammates.
- 3 4.0-4.5 teams play on Tuesday, 3.5-4.0 teams play on Wednesday
 3.0-3.5 teams play on Thursday, 2.5-3.0 teams play on Monday
- 4 All matches for a team will be on the same day of the week, but part of the time you will play at other times between 9a.m. and 3p.m. on that same day.
- 5 You pay only the courttime each week. There is no registration cost or extra charge for clinics. We feel that our program, which is competitively programmed with our outstanding clinics, will get you ready for next summer's G.C.T.A. outdoor program.

We feature a unique program at a low club membership rate. **Our nursery is the finest in Central Ohio**, so plan to bring your children. **There is no charge.**

Play and Learn for the Lower Ability Player:

Play and learn is a special program designed for advanced beginners and low intermediate players. This program combines professional instruction, supervised play, and practice time during the weekly 1½ hour sessions. Approximately 150 people participated last season. For more details, contact Jim Criswell at 267-1213.

THE WORKOUT

Held on Sundays and Fridays for skilled players, the workout is an adult drill and conditioning session designed to make a good tennis player better. The 1½ hour session will be a real workout! Players participating must be at least of a 3.0 ability level, and players will be grouped by ability.
